**What is the Arizona School Tax Credit?**

Arizona taxpayers can contribute up to \$200 per single taxpayer or \$400 per household to their favorite Arizona school and receive a dollar-for-dollar reduction in their tax liability on their Arizona state tax return.

The Arizona Legislature has determined that school tax credit contributions can be used to fund three critical programs:  
Science equipment • Advisory program • Fieldtrips for students

**Do I have to have a child in an Arizona school in order to take advantage of the Arizona School Tax Credit?**

No. Any Arizona taxpayer can utilize the school tax credit for the benefit of any Arizona public school.

**How do I claim the School Tax Credit?**

A receipt will be sent to you in January of the following year to submit with your tax return.

For questions regarding school tax credits, visit the Arizona Department of Revenue's website at [www.azdor.gov](http://www.azdor.gov). For questions regarding your individual tax situation, please consult a tax preparation professional.
