

FALA Robotics Club

Middle School - FIRST Lego League (FLL)

This year's theme is:

Coaches: Gessica Neilson: gneilson@flagarts.com and Will Beckett: wbeckett@flagarts.com

Mentor: Rich Krueger: rkrueger@flagarts.com

Meeting times: Tuesdays afterschool in room #1 from 3:25 – 5:00. Thursday practice will be added as the season progresses (around October). The Robotics Club will meet for the duration of the FLL season. The first meeting is Tues., Sept. 5th.

Students may only attend Robotics if they are committed to participating in the robotics game and project while following the FLL core values.

Season participation fee: \$35 (checks payable to FALA) due by Tue, October 3rd.

The program costs are about \$500 and include: FLL registration, challenge set, competition fees, t-shirts, etc

Overview: The team is given an “obstacle course” challenge. The team designs and programs a robot built out of LEGOs to complete the challenge. Points are scored at competition on: how well the robot does on the “obstacle course,” a spontaneous challenge, a team project, and how well the members work together as a team using the FLL Core Values. For more information, visit the FLL website: www.firstinspires.org

How can you help? Snack donations are always appreciated as are tax credit donations. If you have special skills in engineering, robotics, or hydrodynamics, or you would like to help in any way, please talk to one of our coaches.

Robotics Club Registration 2017-2018

Coaches: Gessica Neilson: gneilson@flagarts.com, cell: 520.850.5455
Will Beckett: wbeckett@flagarts.com, cell: 928.606.1654
Mentor: Rich Krueger: rkrueger@flagarts.com

Meeting times: Tuesdays afterschool in Room #2 from 3:25 – 5:00. Thursday practice will be added as the season progresses (around October). Students may only attend Robotics if they are committed to participating in the robotics game and project while following the FLL core values.

Parents and students agree to stay informed and communicate through email about important dates and requirements. Cell contact is to be used only when an immediate response is required. If students need to contact coaches via text, they must text both coaches at the same time. Students agree to be invested and participate in the robot game and project using FLL core values. Parents are responsible for transportation to competitions. There may be fundraising opportunities that come up and participation in fundraising activities will be requested.

Season participation fee: \$35 (checks payable to FALA) due by Tue, October 3rd along with bottom portion of this form.

If you would like your participation fee to be an AZ School Tax Credit Donation, please write "Tax Credit Donation" on your check memo. We would greatly appreciate any additional donations to go toward program costs and snacks. For the AZ School tax credit: an individual may contribute up to \$200 and a couple filing jointly may donate up to \$400.
